BxBody Pilates Studio Operational Guidelines for PCOR2

Pursuant to DPHSS Guidance Memo 2020-10, BxBody Pilates Studio has put in place the following operational guidelines for PCOR2 until further notice.

General Guidelines:

- BxBody will offer private appointments and group classes limited to 5 people per class.
- Clients must wear a mask to enter and exit the Studio. Instructors must wear a mask at all times.
- The Studio will be cleaned with disinfectant daily. Equipment and surfaces in use will be cleaned between each appointment / class.
- Clients and Instructors must wash or sanitize their hands before and after their appointment / class. A sink and hand sanitizer are readily available in the Studio.
- If you or anyone in close contact with you (family, work colleagues, friends) have displayed symptoms of Covid-19 (flu-like symptoms) and / or have tested positive for Covid-19, please stay home.
- If you test positive for Covid-19 within 2 weeks of attending an appointment / class, please inform the Studio immediately.
- Clients and Instructors are subject to health screening questions and temperature checks.

Group Class Guidelines:

- Our floor plan has been modified to ensure 6 ft. between equipment stations. Please take precautions to maintain social distancing in the studio.
- Cleaning spray and towels will be provided for Clients to clean equipment after use during class.
- Reservations for Group Classes are required and limited to 5 persons per class. Cancellation policy applies.

THANK YOU!
